

InstaJet Pro[®] Hand Dryers

Xperience xtreme power[®]

InstaJet Pro hand dryers are professional grade hand dryers designed for fast hand drying in heavy duty traffic. These are the most power efficient hand dryers available anywhere in the world. In spite of its small profile and slim design, it can generate very high air speed. The smart engineering and design of InstaJet Pro hand dryers has made them not only very powerful but also silent & power efficient.

Different Outer Cover Options

**Stainless Steel#304
with mirror finish**

**Model: AS-45-IR-G2-
PRO-SM**

**Stainless Steel#304
brush finish**

**Model: AS-45-IR-G2-
PRO-SB**

**Steel with white
enamel coating**

**Model: AS-45-IR-G2-
PRO-W**

**Flame retardant
ABS plastic cover**

**Model: AS-45-IR-G2-
PRO-PW**

InstaJet Pro[®] Hand Dryers

Salient Features:

3 years warranty

Consumes Only 825 W

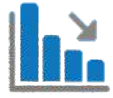

40,000 RPM High Speed Motor For quick hand drying

Extreme Heavy Duty Design Built to perform for years even under heavy usage

Industry Best Safety Features

High Quality Eliminates Maintenance Costs

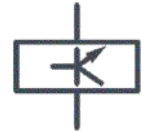

Low Noise Operation

95% Cost Reduction Compared to Paper Towels

Flame Retardant plastics

Solid State Relay increases product life

Compact design

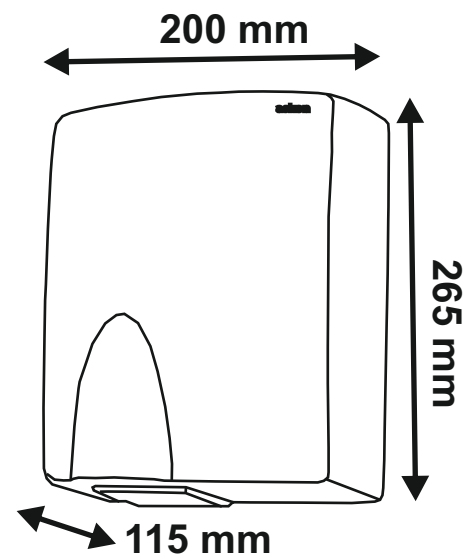

Made-in-India

Technical Specifications:

- Motor: Heavy duty high speed brushed motor, 40,000 RPM
- Operates automatically with IR sensors
- Uses solid state relay for extended operating life
- The motor and heating coil are protected with thermal fuse and thermal cut off
- Outer Cover:
 - Stainless Steel # 304, Deep Drawn for Models with Suffix 'SB' or 'SM'
 - Steel with white enamel coating for Model with Suffix 'W'
 - FR ABS in white for model with suffix 'PW'
- Construction: Made from high impact resistant engineering plastics, flame retardant UL-94 5VA certified.
- Power Supply: 230VAC, 50 Hz, Single Phase
- Rated Power: 825 W • Rated Current: 3.6 A
- Air Speed: 110 m/s • Air volume: 213 m³/hr
- Operating Noise Level @ 1 mtr: 75 db

Product Dimensions:

Anti-Vandalism Feature:

45 secs auto cut-off timer with 30 secs safety shutdown feature to prevent misuse & vandalism
